Project Title: Proposed North Hollywood Central Groundwater Treatment Action

Project Applicant: Los Angeles Department of Water and Power

Project Location (include county): North Hollywood, Los Angeles County

Project Description:

LADWP proposes to implement a response action to address releases of contaminants in groundwater that are migrating to the Rinaldi-Toluca Well Field. This work would include (a) install a treatment system on LADWP property at the North Hollywood Pump Station property capable of treating the contaminants, (b) connect the affected wells to that system, and (c) operate its existing wells at this well field, in a manner that minimizes the spread of the contaminant mass, limits further degradation of the groundwater in the vicinity of the RT Well Field.
