Project Title: Paradise Camp Dump Site Remediation Project

Project Applicant: Los Angeles Department of Water and Power

Project Location (include county): Adjacent to the Paradise Transfer Station, Mono County, CA

Project Description:

LADWP proposes to implement a remediation project for the former Paradise Dump Site located in Mono County, California. The goals of the remediation project are to stabilize existing wastes, reduce existing and future exposure risks, and minimize the potential for future illegal waste disposal at the site. Remediation would include removing California hazardous waste at the western portion of the site, separating and recycling surface and near surface wastes, consolidating remaining non-hazardous and non-recyclable wastes, and installing waste covers. Once remediation is complete and the site is regraded, vegetation will be restored via broadcasting and imprinting a

This is to advise that the Los Angeles Department of Water and Power has approved the above (X) Lead Agency or () Responsible Agency

described project on November 6, 2018 and has made the following determinations regarding the above described project. (date)

- 1. The project [] will [X] will not have a significant effect on the environment.
