

NOTICE OF EXEMPTION

(City CEQA Guidelines)

Submission of this form is optional. The form shall be filed with the County Clerk, 12400 Imperial Highway, Norwalk, CA 90650, pursuant to Public Resources Code Section 21152(b). Pursuant to Public Resources Code Section 21168(d), the filing of this notice starts a 35-day statute of limitations on Court challenges to the approval of the project. Failure to file the notice results in the statute of limitations being extended to 180 days.

LEAD CITY AGENCY AND ADDRESS: Los Angeles Department of Water and Power (LADWP) 111 N. Hope Street, Room 1044 Los Angeles, CA 90012	COUNCIL DISTRICT # 11
---	-------------------------------------

PROJECT TITLE Receiving Station B-Physical Security Perimeter Barrier Project	LOG REFERENCE
---	----------------------

PROJECT LOCATION
 The project is located at the Receiving Station-N (RS-N) just southeast of Los Angeles International Airport at 8401 Isis Avenue, Los Angeles, CA 90301. (See attached map for site location)

DESCRIPTION OF NATURE, PURPOSE, AND BENEFICIARIES OF PROJECT:
 The project proposes to install a perimeter barrier around RS-N to strengthen the physical security of facility, and also improve the functional needs of the station operation.

The plan is to install at minimum 10 feet and at some locations up to 20 feet tall fencing, using a combination of metal security mesh and concrete wall barriers with approximately 1,925 linear feet in length. Barrier will also require foundations that extend at least 2 feet below grade.

--------------------------------------	--

EXEMPT STATUS:
 CEQA Guidelines Article 19 Categorical Exemption, Section 15303 Class 3 New Construction or Conversion of Small Structures

JUSTIFICATION FOR PROJECT EXEMPTION:

In accordance with the California Environmental Quality Act (CEQA) it has been determined that the construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures is exempted pursuant to the Class 3 Categorical Exemption describe in Section 15303 of the CEQA Guidelines. Furthermore, Class 3 (d) include the exemption of water main, sewage, electrical, gas and other utility extensions, including street improvements, of a reasonable length to serve such construction. The construction of the RS-N security barrier as described fits within this exemption.
